

## **Solos Endoscopy Releases ISO 13485 Certification and CE Mark Schedule with Work to Begin May 29**

BOSTON, May 23, 2012 /PRNewswire/ -- Solos Endoscopy, Inc. (OTCPK: SNDY) is pleased to announce that the Company is scheduled to commence its initiative to complete its ISO 13485 Certification and CE Mark initiative with Expert Resource beginning May 29, 2012.

According to the schedule, Expert Resource will begin the project on May 29 and will immediately begin work with Solos Management on both Level 1 Documentation (Quality Manual) and Level 2 Documentation (Procedures). Expert Resources will provide comprehensive consulting, training and document preparation for Solos Endoscopy to create a quality management system that meets the requirements of the ISO 13485 standard.

Expert Resource will prepare Solos Endoscopy for the final audit, attend the final audit, and help interpret any findings. **According to Expert Resource, their consultants maintain a 100% success rate of passing the final audit on the first attempt.** Solos Endoscopy joins a high profile Expert Resource client list which includes BASF, Black & Decker, Dow Precision, Hitachi, J.D. Power & Associates, Microsoft Corporation, Northrop Grumman, Quest, and Toshiba, amongst many others.

Solos Endoscopy instruments are FDA approved. Upon Solos Endoscopy's receipt of its ISO 13485 Certification, the Company will be able to place the CE Mark on its entire instrument line. Both Solos and Expert Resource believe the ISO 13485 Certification and CE Mark initiative will be completed within the next 5 months. The Company will be posting its schedule on its website during the first week of June.

Expert Resource is an international consulting and training firm specializing in business improvement initiatives. ER helps medical device and medical laboratory companies implement ISO 13485, ISO 15189, ISO 14971, or GMP quality systems, obtain the CE Mark, submit FDA 510(k) applications, assist with clinical trials, and more.
