

## **Solos Endoscopy Sales Increase by More than 35% for the Month of October**

BOSTON, Nov. 8, 2012 /PRNewswire/ -- Solos Endoscopy, Inc. (SNDY) is pleased to announce that the Company's sales for the month of October increased by more than 35%. In addition, the Company expects to show a sales increase of more than 3% when it posts its third quarter financials for period ending September 30, 2012.

Solos Endoscopy's sales increased from \$27,455 for month of October 2011 to \$37,274 for October, 2012. Solos management stated that sales for the month would have been greater; however, several orders scheduled to be shipped to tri-state hospitals have been pushed back to November due to Hurricane Sandy.

Solos Endoscopy instruments are FDA approved. The Company recently retained TUV SUD America, Inc. to complete its ISO 13485 Certification and Audit on its instruments including the MammoView®. The Company previously engaged Expert Resource to prepare the Company for the final audit. Expert Resource will attend the final audit, and help interpret any findings. **According to Expert Resource, their consultants maintain a 100% success rate of passing the final audit on the first attempt. Solos Endoscopy has posted its updated ISO 13485 CE Mark Schedule on its website, <http://solosendoscopy.com/pdf/SNDY-ISO-13485-CE-Mark-Project-Schedule-October-2012.pdf>.**

Solos Endoscopy expects to post its third quarter financials on [www.otcmarkets.com](http://www.otcmarkets.com) within the next two weeks. The Company will also be releasing its "President's Report" for distribution to its shareholders in the next few weeks.

"We are very encouraged by the progress our team has made over the last few months. We look for that trend to continue," stated Robert Segersten, President of Solos Endoscopy, Inc.
